

Carroll School

Dear Carroll Parents,

Carroll School is pleased to announce that we will once again use La Riviera Gourmet as our 2011-12 lunch vendor. We will also partner again with www.orderlunches.com for our on-line ordering and payment system. Beginning on August 18, 2011 you will be able to go on-line to www.orderlunches.com and place orders for lunches through mid-September! Lunches will be delivered daily to Carroll by La Riviera starting on the 6th day of September!

La Riviera Gourmet is a specialized Gourmet Catering Café with two locations, Lexington and Wellesley. At each location you can enjoy an assortment of delicious entrees, salads and pastries. La Riviera also provides lunches to two other schools and does Corporate and Social catering. They have willingly designed a menu just for Carroll and will be delivering Monday through Friday. Yes, that's right! Kids that stay for the Friday Program now have a lunch option, too!

Our on-line ordering system provided by www.orderlunches.com is a secure on-line service designed just for ordering school lunches. It is very user-friendly and offers support for the school, food vendor and parents. You will always be able to access this ordering system through the Carroll School website or at www.orderlunches.com.

Students may choose from two different portion sizes of each day's meal or may select a different vegetarian salad daily. The regular meal is plenty to fill most children's hungry bellies for \$5.00. The large meal is better for those that may need a little extra food to fill their tanks for \$5.54. Each week there will be a chicken entrée, meat entrée, pizza, a pasta entrée and sandwich offering and each meal will include a side and dessert. There will also be a meal size vegetarian salad with bread and dessert offered daily for \$5.54.

We hope you will take advantage of this wonderful and delicious offering, and save yourself from having to pack a lunch every day!

Sincerely,
Susan Kingman, Lower School Division Head
Larry Brown, Middle School Division Head
