

Friday Afternoon Program Fall 2009

The Friday Program is designed to provide both educational and social experiences for the children of The Carroll School. The program runs Friday afternoons from 12:15 to 4:30*. The fall session will begin on Friday, September 11th and will run until December 18th. Sign up with Heidi Gilliam, Lower School Administrative Assistant, feel free to give her a call at ext 3042. Liz Shuman and Mike Lynch will be running the Friday Program along with other Carroll Faculty. This year on many of the Fridays there will be two programs running simultaneously. We will have a program for the Beginning Readers through fourth grade and another program for the students in fifth through eighth grades. As in years past we will be continuing the field trips, but we are also going to be implementing on campus activities. Trips are subject to change without notice.

****There are three ways to register your child****

Option 1 Pre-register for all 14 Fridays.

Total session cost is \$570.

Option 2 Pre-register cafeteria style - pick your favorite activities and attend just those Fridays.

The cost is \$45 per Friday.

Pre-registration deadline Tuesday September 8

Option 3 “Pay-as-you-go” \$50 per Friday (registering after September 8). It will definitely help us if you can call or email us so we can properly prepare for our trips and activities. With that being said, if it is past Tuesday please give us a call and we will try and accommodate your child the best we can.

For Option 1 and 2 pre registration runs through Tuesday September 8. The completed registration form and full payment is due by the end of the day. Since program plans are made with pre-registered children in mind, there are no refunds for missed Fridays, with the exception of cancellation due to school closing.
