Application Statement

Acceptance to the *Elementary/Middle School Program* is based on admission criteria. Because the *Elementary/Middle School Program's* approach to reading remediation is cognitive in nature, students must fall within the average range of intellectual ability and be motivated to learn. Generally, students will have a primary diagnosis of a language-based learning disability, such as dyslexia. The *Elementary/Middle School Program* is not appropriate for students with primary emotional or behavioral difficulties. The admission criteria are applied with equal consideration to all applicants. As part of the admission criteria and application process, a visit to Carroll School by the applicant and a parent may be required.

This application must be accompanied by a \$50 non-refundable application fee.

Carroll School admits students of any race, color, religion, national and ethnic origin, and sexual orientation, or with any disability that can reasonably be accommodated by the school, to all rights, privileges, programs and activities generally accorded or made available to students at Carroll School. It does not discriminate on the basis of such factors in the administration of its admission, financial aid, educational, employment, or athletic policies.
