

Parents' Visiting Days provide an exceptional opportunity for parents to attend morning classes with their son or daughter and to observe our school's unique approach to instruction. The Lower School's PVD will be held on Friday, February 3, and the Middle School's PVD will be held on Friday, February 10. Steve Wilkins, Larry Brown, and Sue Kingman will be presenting information to parents as well.

Further details will be announced in future Thursday Updates.
