

Teacher Residency – Collaborative Internship Program

Lesley University Graduate School of Education/ The Carroll School/Buckingham Browne & Nichols
M.Ed. Leading to Initial Teacher License in Moderate Disabilities (5-12)

Required Course Sequence

Program Prerequisites:

Active Initial or Professional teacher license with SEI endorsement **OR**

- An approved child development or adolescent course (varies depending on licensure area)
- An approved general education math methods course
- An approved general education literacy methods course
- A DESE-approved SEI course/endorsement

Prerequisites may be waived based on previously completed coursework or professional experience. Prior coursework must be completed with a grade of B or better. Students may be accepted into the program without the prerequisites and will develop an advisor-approved plan for completion of equivalent courses. Each student should meet with their Lesley University academic advisor at the beginning of the program to discuss program policies and details. The following set of courses is listed in the required order. Any deviations to this sequence must be approved by the director for academic advising at Lesley University. Students must register for all courses through Lesley University, including those taken at the collaborative internship location.
